

# Bringing the Classroom to the Science: JINA's Field Trip Grants Program

JINA would like to invite teachers and classes to come and visit our research laboratory at MSU, the National Superconducting Cyclotron Laboratory (NSCL). We have funds available to cover the costs of transportation and possibly incidentals. Contact us directly for more information and to arrange for a tour.

NSCL Contact: Orilla McHarris ([omcharris@nscl.msu.edu](mailto:omcharris@nscl.msu.edu))  
Phone: (517) 333-6363

For more information and a description of the NSCL tour, go to:
